Parish Updates

Update On Family of Faith Projects

The work from our allocation of funds from the Family of Faith Campaign has begun. This work is required to bring the building up to Health and Safety standards. With these funds at our disposal, we have begun the process of hiring contractors to begin work on the necessary repairs to the rectory. During the summer we have been able to replace the outdated unit with a new HVAC air conditioning unit and have completed the rewiring of the electrical system. We are currently on the Third Project of removing the carpets and replacing the flooring in the Pastor's suite and painting of the whole house. The Fourth Project is updating the boiler and the chimney system. We thank you for your support
